PGI Membership Levels

Preservation Greensboro serves to preserve historic sites, neighborhoods, streetscapes, and cultural heritage. Our organization has three associated buildings; Blandwood Museum, Blandwood Carriage House, and Architectural Salvage of Greensboro. The Blandwood Museum welcomes all to explore this National Historic Landmark to learn about the architecture, furniture, gardens, and more, of this time period, as well as, learning about Governor Morehead and his family. The Carriage House at Blandwood is a beautiful newly renovated space great for events! While our Architectural Salvage looks at preservation in a slightly different way, by repurposing historic features from structures slated for demolition (or just a remodel), saving the materials from the landfill and giving them a new life in the community.

Preservation Greensboro is open to all who have an interest in history, community, architecture, and culture in Greensboro and Guilford County. see below the perks of becoming a member today!
