TOUR of
HISTORIC HOMES and GARDENS

SOUTHSIDE
AND
SOUTH ELM STREET
GREENSBORO

Is Going Virtual!

Preservation Greensboro is excited to present six fascinating historic homes in the South Elm Street and Southside neighborhoods!

These neighborhoods are among the oldest in the Gate City, and they maintain a mix of brick storefronts and wood frame houses that reach back to the days when the city's name was spelled Greensborough!

The six houses highlighted in the tour include the Magnolia House: A Greensboro Landmark (1889), Our Classic South-Elm-Meets-Tribeca Loft (1906), the Cozy Queen Anne Cottage (1902), the Original Gate City Live and Work Home (1924), The Amazing Southside Makeover (1889), and an Eclectic Over-Store-Studio (1896). These houses show a diversity of preservation timelines, ranging from a house currently under restoration to completely restored landmarks.

Tickets purchases will be available on our website beginning on October 16th and remain available till December 1st. Follow our social media or our website, for details.

A special thanks to our tour sponsors who have continued their support for our organization as we trail-blaze virtual tours!

The tour is the flagship fundraiser for Preservation Greensboro.

Preservation Events & Activities

It's 2020, the Year of the Covid. Like everybody else we've had to make changes. Preservation Greensboro is working to offer exciting activities that reveal the architecture and history of our city, but to do so, we will change things up a bit to make sure we remain safe. Explore our Tour of Historic Homes & Gardens virtually (above), or join our Ghost Stories on the Lawn at Blandwood tours. **As always, please socially distance yourself, wear a mask, and wash your hands!**

Ghost Stories on the Lawn

Planned Giving for Preservation

Most people assume that an organization with a 50-year legacy and an attachment to the Morehead name must be well-financed by a deep endowment or government support, but this is not true. Help make Preservation Greensboro and Blandwood Museum a stable organization by considering a legacy gift. Your commitment to support preservation work will remain right here in Greensboro. A gift from your estate may include a specific dollar amount or a percentage of value. Invest in our future through historic preservation!

We Need Your Membership, Especially Now!

Please consider making a contribution to Preservation Greensboro. As a non-profit, we depend on support from citizens like you to accomplish our mission of saving our community's historic and architectural treasures. With loss of city support, we could really use a special gift to help us maintain staff and operations. We certainly appreciate your help!
